A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels, give Chamberlain's Colic, Cholera and Diarrhea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be prepared at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence, even in cases of cholera infantum. For sale by all Druggists.

CAN'T BE SEPARATED

Some Maysville People Have Learned How to Get Rid of Both.

Backache and kidney ache are twin brothers. You can't separate them. And you can't get rid of backache until you cure the kidney ache.

If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

Mrs. J. B. Gibson, of 22 East Fourth street, Maysville, Ky., says:

"The prompt and thorough action of Doan's Kidney Pills should recommend them to every one suffering from backache or kidney troubles. I have known the value of this remedy for several years. Its use in my case proved to me that it is a reliable kidney cure and cannot be excelled for backache or weakness of the kidneys. I have recommended Doan's Kidney Pills before and I should advise every sufferer to get a supply at J. Jas. Wood & Son's Drug-store and try them."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
